

# Langley In Progress

"Langley In Progress" is published by the Planning and Development Division to provide a summary of current development activity. Information is current to January 1, 2003 unless otherwise stated, and is provided for quick reference only. For specific project details, please contact the Planning and Development Division at 533-6034, or the Permit, Licence and Inspection Services staff at 533-6018.

"Langley In Progress" is available at no charge through the Township website at [www.tol.bc.ca](http://www.tol.bc.ca). Alternatively, you may be added to our mailing list and receive printed copies for an annual fee of \$8.00.

For information on building permits that have been issued, please refer to the "*Building Statistics*" reports published monthly and available from the Permit, Licence and Inspection Services staff.

The first section of "*Langley In Progress*" summarizes significant multi-family, commercial, industrial and institutional applications for rezonings, development permits and building permits. The second section summarizes significant single family subdivision developments by community.
