Winter break and spring break

Preschool classes do not run during Langley School District No. 35's two-week winter and spring breaks; school is not in session and you do not pay for these weeks.

Other closures

Participants do not pay for days the preschool is closed, including district-wide professional development (Pro D) days. All excluded days will be confirmed during the first week of preschool in September.

Other closures (such as snow days) are determined by following protocols of Langley School District No. 35.

Withdrawal policy

One month's notice is required to withdraw from the licensed preschool program. Notice must be provided in writing by the first day of the month prior. For example, if you plan to leave preschool on February 1, we require written notice of withdrawal on or before January 1.

Financial support

Financial assistance is available through the Affordable Child Care Benefit program for licensed programs: www.gov.bc.ca/affordablechildcarebenefit.

Walnut Grove Community Centre and W.C. Blair Recreation Centre have been approved for the BC Ministry of Education's Child Care Fee Reduction Initiative. Registration fees may change upon registration as per the funding agreement. Families do not need to apply for this funding.
