REGULAR MEETING
OF TOWNSHIP COUNCIL

FOR THE PURPOSE OF
PUBLIC HEARING
AGENDA

Monday, November 16, 2026 at 7:00pm
Fraser River Presentation Theatre
4th Floor, 20338 – 65 Avenue, Langley, BC

A Public Hearing is a statutory requirement under Section 464 of the *Local Government Act,* and must be held before third reading of a community plan, land use contract amendment bylaw, heritage designation bylaw or heritage revitalization agreement bylaw.

During a Public Hearing, Council acts in a quasi-judicial role for the purpose of allowing persons who believe their interest in property is affected by a bylaw, permit or other matter, to make representations to Council either orally or by written submission, or add comments or elaborate upon correspondence that may have already been presented to Council concerning the bylaws. It is important to note that Council is not in a position to receive any additional information on the bylaws following the Public Hearing, as dictated by case law.

The hearing procedure involves an explanation from the Community Development Division on the purpose of the proposed bylaws and to hear from individuals regarding the bylaws. In order to ensure that all interested parties have a reasonable opportunity to be heard, speakers are requested to keep representations as brief and succinct as possible and no longer than five minutes, excluding time required for questions from Council. Speakers will be asked to state their name, neighborhood and city for the record and if referring to prepared remarks, to submit copies of these to the Township Clerk. Decorum must be maintained at all times, this includes refraining from applause, booing, or heckling.

To assist with large numbers of speakers, individuals may advise the Township Clerk/Deputy Township Clerk and sign the speakers list prior to the commencement of the public hearing. The names on the speakers list will be read out during the hearing; however the Chair will also call for any other speakers wishing to present their views once the speakers on the list have all been heard. Individuals who have already addressed Council and wish to add further submissions will wait until the people that have not yet addressed Council have had an opportunity to speak. All submissions and speakers lists are considered part of the public record.

Council members should not express their views nor debate the bylaws, but may question speakers to clarify particular points in the submissions. Council may consider Third Reading, or Third Reading and Final Adoption, at this meeting or at its next Regular Meeting.

EXECUTIVE SUMMARY:

Rachelle Cashato has applied on behalf of the owner to amend the Rural Plan, rezone a 1.92 ha (4.74 ac) site located at 27099 – 8 Avenue to Limited Industrial Commercial Vehicle Parking Zone M-15 and add the site into Development Permit Area 'B' – Rural Commercial / Industrial to facilitate a commercial vehicle parking facility with accessory office. The applicant has also applied for a plan amendment and rezoning on the adjacent property, 27043 – 8 Avenue, with the applicant indicating that the properties will not be consolidated but will operate as a single site.

The subject site is currently designated Rural in the Metro Vancouver Regional Growth Strategy and the Township of Langley Official Community Plan and Agriculture / Countryside in the Township of Langley Rural Plan. To accommodate the proposed commercial vehicle parking facility, the applicant proposes to amend the Agriculture / Countryside designation to permit a limited industrial use for commercial truck parking and accessory office and include the site in Development Permit Area 'B' – Rural Commercial / Industrial.

The proposed development is consistent with the overall objectives of the Regional Growth Strategy, Official Community Plan, and Rural Plan. Staff recommend that Council consider the Rural Plan amendment and rezoning, subject to the completion of nine (9) development prerequisites.

PURPOSE:

The purpose of this report is to advise and make recommendations to Council with respect to the proposed Rural Plan Amendment Bylaw No. 6227 and Rezoning Bylaw No. 6228.

Owner:	1483115 BC Ltd. 28410 Huntingdon Road Abbotsford, BC V4X 1A3
Agent:	Rachelle Cashato PO Box 1156 Langley, BC V1M 2S5
Legal Description:	Lot 4 Section 7 Township 13 New Westminster District Plan 58391
Location:	27099 – 8 Avenue
Area:	1.92 ha (4.74 ac)
Existing Zoning:	Rural Zone RU-2
Proposed Zoning:	Limited Industrial Commercial Vehicle Parking Zone M-15
Regional Growth Strategy:	Rural
Official Community Plan:	Rural
Rural Plan:	Agricultural / Countryside

BACKGROUND/HISTORY:

- The site is designated Rural in the Metro Vancouver Regional Growth Strategy and Township of Langley Official Community Plan. The site is designated Agricultural / Countryside in the Township of Langley Rural Plan and is currently zoned Rural Zone RU-2.
- On April 29, 2024, Temporary Use Permit 000011 was issued by Council to permit the parking of commercial vehicles for a three year period, subject to eight (8) conditions. Site clearing and commercial vehicle parking activities have commenced prior to completing the Temporary Use Permit conditions.

DISCUSSION/ANALYSIS:

- Rachelle Cashato has applied on behalf of the owner to amend the Rural Plan and rezone a 1.92 ha (4.74 ac) site located at 27099 – 8 Avenue to Limited Industrial Commercial Vehicle Parking Zone M-15 to facilitate a permanent commercial truck parking facility.
- The applicant has also applied for a plan amendment and rezoning on the adjacent property, 27043 – 8 Avenue. The applicant indicates the properties will operate as a single site and share access to accommodate commercial truck movement. Accordingly, a single site covenant and easement is required as a condition of the plan amendment and rezoning application.
- The project will be further reviewed as part of the development permit application process to ensure compliance with the provisions of the site's proposed M-15 zoning in terms of siting, lot coverage, landscaping, height, use and density.

Adjacent Uses:

	Existing Use:	Official Plan Designation:	Rural Plan Designation:	Existing Zoning:
North:	Jackman Wetlands Park	Conservation and Recreation	Agricultural / Countryside	Limited Institutional Zone P-5
South:	8 Avenue beyond which is Emerald Springs Golf Course	Agriculture	Agricultural / Countryside	Rural Golf Course Zone RU-10
West:	Existing operating truck parking facility under Temporary Use Permit TU000018 with an instream plan amendment and rezoning application to function as a coordinated site with the subject site	Rural	Agricultural / Countryside	Rural Zone RU-2
East:	Jackman Wetlands Park, beyond which is 272 Street	Conservation and Recreation	Agricultural / Countryside	Limited Institutional Zone P-5

Community Plan Amendments:

- Bylaw No. 6227 amends the Rural Plan by permitting parking of commercial vehicles and accessory office under the Agriculture / Countryside designation at 27099 – 8 Avenue and designates the subject site within Development Permit Area 'B' Rural Commercial / Industrial.
- The subject lands are currently designated:
  - Rural in the Metro Vancouver Regional Growth Strategy (RGS) and Township of Langley Official Community Plan. The proposal for a limited industrial zone permitting only commercial vehicle parking, accessory office, and accessory residential aligns with the small-scale industrial use as described below. Furthermore, the land is within 'Service Level 4 - Rural' under the Subdivision and Development Servicing Bylaw 2019 No. 5382, whereby services include on-site private systems and private wells and there is no provision of municipal urban services.

    "Rural lands are intended to protect the existing character, landscapes, and environmental qualities of rural communities outside the Urban Containment Boundary. Land uses in these areas include low density forms of residential; agricultural; and small scale commercial, industrial, or institutional uses, that do not require the provision of urban services such as sewerage or transit. As such, Rural lands are not intended as future urban development areas and generally will not have access to regional sewerage services. Rural designated land generally comprise natural areas, agricultural lands, lands with low-intensity residential or built environments that are historical, remote, or not contiguous with the urban area, and may have topographic constraints."

- Rural policy 2.2.6 of the Township of Langley Official Community Plan states, *"Commercial, industrial, and institutional uses are discouraged in this designation, except in conformity with the Regional Context Statement (Schedule 1) and the Rural Plan."* The application is in alignment with the Regional Growth Strategy and Rural Plan.
- Agricultural / Countryside in the Township of Langley Rural Plan. The site is not within the Agricultural Land Reserve and is significantly smaller than the 8.0 ha (19.8 ac) minimum lot size intended for properties with agricultural uses. Section 5.5.2 of the Rural Plan states, *"Non-agricultural uses that comply with other provisions of this plan shall provide buffers adjacent to agricultural land and the siting of buildings and access shall minimize negative impacts on agricultural uses."*
  - The Emerald Springs Golf Course located directly across the street at 673 – 272 Street is within the Agricultural Land Reserve. Consistent with the Agricultural Land Commission's agriculture-urban edge siting recommendation for industrial development adjacent to the Agricultural Land Reserve, the applicant proposes to retain a 15 m (49 ft) building setback from the southern property line and an 8.0 m (26 ft) vegetated buffer to provide a visual, noise, and odour screening and sensitive separation between land uses. The site plan will be further reviewed as part of the development permit application process to ensure compliance with the provisions of the site's proposed Limited Industrial Commercial Vehicle Parking M-15 zoning in terms of siting, lot coverage, landscaping, height, use and density.

Zoning Amendment:

- Bylaw No. 6228 proposes to rezone the subject 1.92 ha (4.74 ac) site located at 27099 – 8 Avenue to Limited Industrial Commercial Vehicle Parking Zone M-15 to facilitate permanent commercial vehicle parking and accessory office and accessory residential uses. The Limited Industrial Commercial Vehicle Parking Zone M-15 has been drafted to reflect the siting, lot coverage, landscaping, parking and uses consistent with the Council endorsed Temporary Use Permit: Commercial Truck Parking Facilities Guide.
- The project will be further reviewed as part of the development permit application process to ensure compliance with the provisions of the site's proposed M-15 zoning in terms of siting, lot coverage, landscaping, height, use and density.

Development Permit Area 'B' – Rural Commercial / Industrial:

- Consistent with the Rural Plan objectives to designate industrial uses in the rural area as Development Permit areas to establish guidelines for form and character of development, the subject site is proposed to be included in Development Permit Area 'B' – Rural Commercial / Industrial.
- The project will be further reviewed as part of the development permit application process to ensure compliance with, including but not limited to, the following: provisions of the site's proposed M-15 zoning; landscaping, and tree requirements; and alignment with the Development Permit Area 'B' – Rural – Commercial / Industrial guidelines. Staff note that the site plan is conceptual, and resolution of the above requirements may result in a change to landscaping, parking and number of commercial vehicle parking stalls.

Voluntary Amenity Contributions:

On July 7, 2025 an Interim Policy Regarding Community Amenity Contributions No. 07-170 was adopted by Council that directs staff to:

- discuss with development applicants the prospect of making amenity contributions to the Township; negotiate with development applicants on a case-by-case basis for the provision of community amenities; or allow amenity contributions either at the initiative of development applicants or as a result of rezoning negotiations between the applicant and the Township.

The applicant has proposed a $142,200 voluntary amenity contribution in support of the proposed community plan amendments and rezoning application.

Tree Protection / Replacement:

The applicant has submitted tree management plans indicating the following:

Significant Trees on Site	Significant Trees Retained	Replacement Trees Required	Replacement Trees Provided	Street Trees Provided	Total Trees Post Development
0	0	144	144	N/A	144

Staff note that premature tree removal occurred on the subject site and pursuant to Subdivision and Servicing Bylaw 5382 Schedule I - Tree Protection Section 5.1 and consistent with past practice, funds towards replacement tree planting is a development prerequisite.

Policy Considerations:

The proposed Rural Plan amendments and rezoning will facilitate development of a permanent commercial vehicle (truck) parking facility on the site located at 27099 – 8 Avenue. Staff recommend that Council give first and second reading to Bylaws No. 6227 and 6228 (subject to nine (9) development prerequisites) and that staff be authorized to schedule the required Public Hearing for the bylaws.

Respectfully submitted,

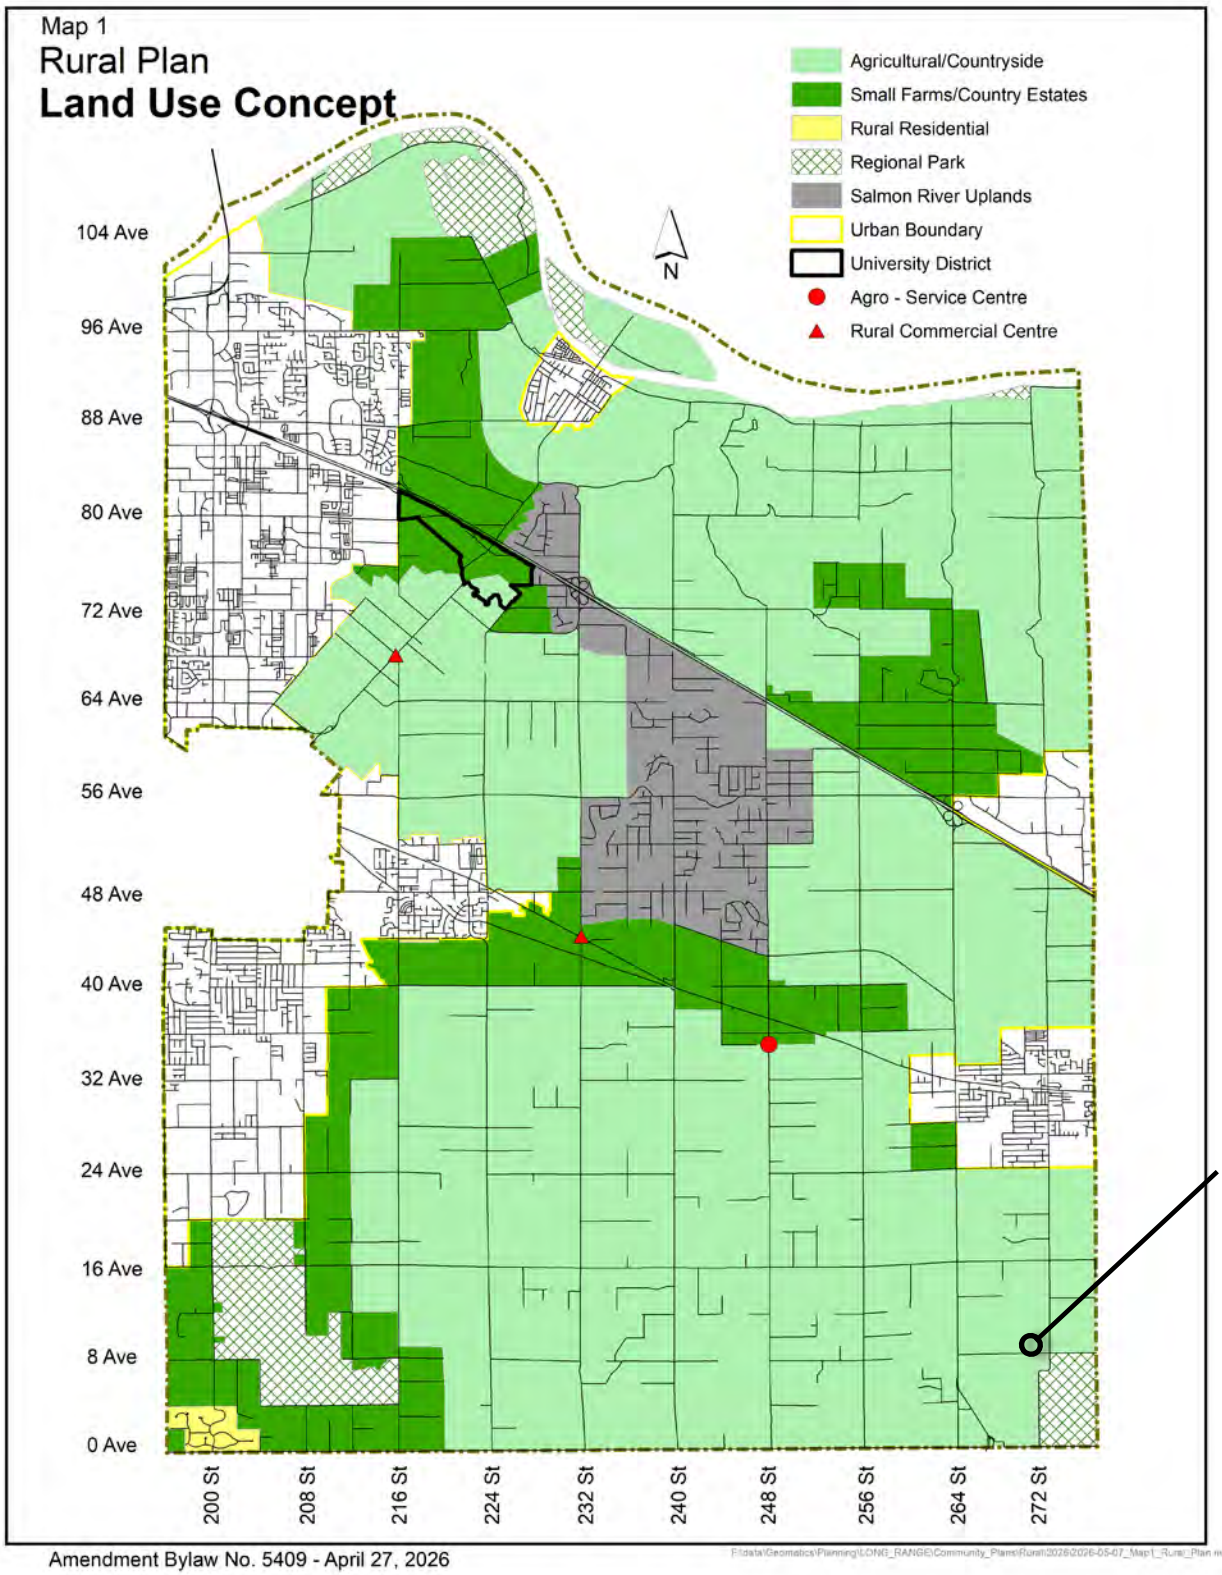

Lindsay Roberts

EXECUTIVE SUMMARY:

Rachelle Cashato has applied on behalf of the owner to amend the Rural Plan, rezone a 1.92 ha (4.74 ac) site located at 27043 – 8 Avenue to Limited Industrial Commercial Vehicle Parking Zone M-15 and add the site into Development Permit Area 'B' – Rural Commercial / Industrial to facilitate a commercial vehicle parking facility with accessory office. The applicant has also applied for a plan amendment and rezoning on the adjacent property, 27099 – 8 Avenue, with the applicant indicating that the properties will not be consolidated but will operate as a single site.

The subject site is currently designated Rural in the Metro Vancouver Regional Growth Strategy and the Township of Langley Official Community Plan and Agriculture / Countryside in the Township of Langley Rural Plan. To accommodate the proposed commercial vehicle parking facility, the applicant proposes to amend the Agriculture / Countryside designation to permit a limited industrial use for commercial truck parking and accessory office and include the site in Development Permit Area 'B' – Rural Commercial / Industrial.

The proposed development is consistent with the overall objectives of the Regional Growth Strategy, Official Community Plan, and Rural Plan. Staff recommend that Council consider the Rural Plan amendment and rezoning, subject to the completion of nine (9) development prerequisites.

PURPOSE:

The purpose of this report is to advise and make recommendations to Council with respect to the proposed Rural Plan Amendment Bylaw No. 6229 and Rezoning Bylaw No. 6230.

Owner:	1495446 BC Ltd. 31488 King Road Abbotsford, BC V2T 5Z3

Legal Description:	Lot 3 Section 7 Township 13 New Westminster District Plan 58391
Location:	27043 – 8 Avenue
Area:	1.92 ha (4.74 ac)
Existing Zoning:	Rural Zone RU-2
Proposed Zoning:	Limited Industrial Commercial Vehicle Parking Zone M-15
Regional Growth Strategy:	Rural
Official Community Plan:	Rural
Rural Plan:	Agricultural / Countryside

BACKGROUND/HISTORY:

- The site is designated Rural in the Metro Vancouver Regional Growth Strategy and Township of Langley Official Community Plan. The site is designated Agricultural / Countryside in the Township of Langley Rural Plan and is currently zoned Rural Zone RU-2.
- On April 29, 2024, Temporary Use Permit 000018 was approved to permit the parking of commercial vehicles for a three year period, subject to 10 conditions. Site clearing and commercial vehicle parking activities have commenced prior to completing the Temporary Use Permit conditions.
- An existing pond created from resource extraction activities has been infilled by the owners. The Qualified Environmental Professional confirmed the pond was not subject to provincial RAPR legislation and was infilled through a Change Approval under the *Water Sustainability Act*.

DISCUSSION/ANALYSIS:

- Rachelle Cashato has applied on behalf of the owner to amend the Rural Plan and rezone a 1.92 ha (4.74 ac) site located at 27043 – 8 Avenue to Limited Industrial Zone M-15 to facilitate a permanent commercial truck parking facility.
- The applicant has also applied for a plan amendment and rezoning on the adjacent property, 27099 – 8 Avenue. The applicant indicates the properties will operate as a single site and share access to accommodate commercial truck movement. Accordingly, a single site covenant and easement is required as a condition of the plan amendment and rezoning application.

- The project will be further reviewed as part of the development permit application process to ensure compliance with the provisions of the site's proposed M-15 zoning in terms of siting, lot coverage, landscaping, height, use and density.

Adjacent Uses:

	Existing Use:	Official Plan Designation:	Rural Plan Designation:	Existing Zoning:
North:	Jackman Wetlands Park	Conservation and Recreation	Agricultural / Countryside	Limited Institutional Zone P-5
South:	8 Avenue beyond which is Emerald Springs Golf Course	Agriculture	Agricultural / Countryside	Rural Golf Course Zone RU-10
West:	Langley Quarter Midget Association children's race track	Rural	Agricultural / Countryside	Limited Institutional Zone P-5
East:	Existing operating truck parking facility under Temporary Use Permit TU000011 with an instream plan amendment and rezoning application to function as a coordinated site with the subject site	Rural	Agricultural / Countryside	Rural Zone RU-2

Community Plan Amendments:

- Bylaw No. 6229 amends the Rural Plan by permitting commercial truck parking and accessory office under the Agriculture / Countryside designation at 27043 – 8 Avenue and designates the subject site within Development Permit Area 'B' Rural Commercial / Industrial.
- The subject lands are currently designated:
  - Rural in the Metro Vancouver Regional Growth Strategy (RGS) and Township of Langley Official Community Plan. The proposal for a limited industrial zone permitting only commercial vehicle parking, accessory office and accessory residential aligns with the small-scale industrial use as described below. Furthermore, the land is within 'Service Level 4 - Rural' under the Subdivision and Development Servicing Bylaw 2019 No. 5382, whereby services include on-site private systems and private wells and there is no provision of municipal urban services.

    "Rural lands are intended to protect the existing character, landscapes, and environmental qualities of rural communities outside the Urban Containment Boundary. Land uses in these areas include low density forms of residential;

agricultural; and small scale commercial, industrial, or institutional uses, that do not require the provision of urban services such as sewerage or transit. As such, Rural lands are not intended as future urban development areas and generally will not have access to regional sewerage services. Rural designated land generally comprise natural areas, agricultural lands, lands with low-intensity residential or built environments that are historical, remote, or not contiguous with the urban area, and may have topographic constraints."

- Rural policy 2.2.6 of the Township of Langley Official Community Plan states, *"Commercial, industrial, and institutional uses are discouraged in this designation, except in conformity with the Regional Context Statement (Schedule 1) and the Rural Plan."* The application is in alignment with the Regional Growth Strategy and Rural Plan.
- Agricultural / Countryside in the Township of Langley Rural Plan. The site is not within the Agricultural Land Reserve and is significantly smaller than the 8.0 ha (19.8 ac) minimum lot size intended for properties with agricultural uses. Section 5.5.2 of the Rural Plan states, *"Non-agricultural uses that comply with other provisions of this plan shall provide buffers adjacent to agricultural land and the siting of buildings and access shall minimize negative impacts on agricultural uses."*
  - The Emerald Springs Golf Course located directly across the street at 673 – 272 Street is within the Agricultural Land Reserve. Consistent with the Agricultural Land Commission's agriculture-urban edge siting recommendation for industrial development adjacent to the Agricultural Land Reserve, the applicant proposes to retain a 15 m (49 ft) building setback from the southern property line and an 8.0 m (26 ft) vegetated buffer to provide a visual, noise, and odour screening and sensitive separation between land uses. The site plan will be further reviewed as part of the development permit application process to ensure compliance with the provisions of the site's proposed Limited Industrial Commercial Vehicle Parking M-15 zoning in terms of siting, lot coverage, landscaping, height, use and density.

Zoning Amendment:

- Bylaw No. 6230 proposes to rezone the subject 1.92 ha (4.74 ac) site located at 27043 – 8 Avenue to Limited Industrial Commercial Vehicle Parking Zone M-15 to facilitate permanent commercial vehicle parking and accessory office and accessory residential uses. The Limited Industrial Commercial Vehicle Parking Zone M-15 has been drafted to reflect the siting, lot coverage, landscaping, parking and uses consistent with the Council endorsed Temporary Use Permit: Commercial Truck Parking Facilities Guide.
- The project will be further reviewed as part of the development permit application process to ensure compliance with the provisions of the site's proposed M-15 zoning in terms of siting, lot coverage, landscaping, height, use and density.

Development Permit Area 'B' – Rural Commercial / Industrial:

- Consistent with the Rural Plan objectives to designate industrial uses in the rural area as Development Permit areas to establish guidelines for form and character of development, the subject site is proposed to be included in Development Permit Area 'B' – Rural Commercial / Industrial.

- The project will be further reviewed as part of the development permit application process to ensure compliance with, including but not limited to, the following: provisions of the site's proposed M-15 zoning; landscaping and tree requirements; and alignment with the Development Permit Area 'B' – Rural – Commercial / Industrial guidelines. Staff note that the site plan is conceptual and resolution of the above requirements may result in a change to landscaping, parking and number of commercial vehicle parking stalls.

Voluntary Amenity Contributions:

On July 7, 2025 an Interim Policy Regarding Community Amenity Contributions No. 07-170 was adopted by Council that directs staff to:

- discuss with development applicants the prospect of making amenity contributions to the Township; negotiate with development applicants on a case-by-case basis for the provision of community amenities; or allow amenity contributions either at the initiative of development applicants or as a result of rezoning negotiations between the applicant and the Township.

The applicant has proposed a $142,200 voluntary amenity contribution in support of the proposed community plan amendments and rezoning application.

Tree Protection / Replacement:

The applicant has submitted tree management plans indicating the following:

Significant Trees on Site	Significant Trees Retained	Replacement Trees Required	Replacement Trees Provided	Street Trees Provided	Total Trees Post Development
10	1	140	141	N/A	141

Staff note that premature tree removal occurred on the subject site and pursuant to Subdivision and Servicing Bylaw No. 5382 Schedule I - Tree Protection Section 5.1 and consistent with past practice, funds towards replacement tree planting is a development prerequisite.

Policy Considerations:

The proposed Rural Plan amendments and rezoning will facilitate development of a permanent commercial vehicle (truck) parking facility on the site located at 27043 – 8 Avenue. Staff recommend that Council give first and second reading to Bylaws No. 6229 and 6230 (subject to nine (9) development prerequisites) and that staff be authorized to schedule the required Public Hearing for the bylaws.

Respectfully submitted,

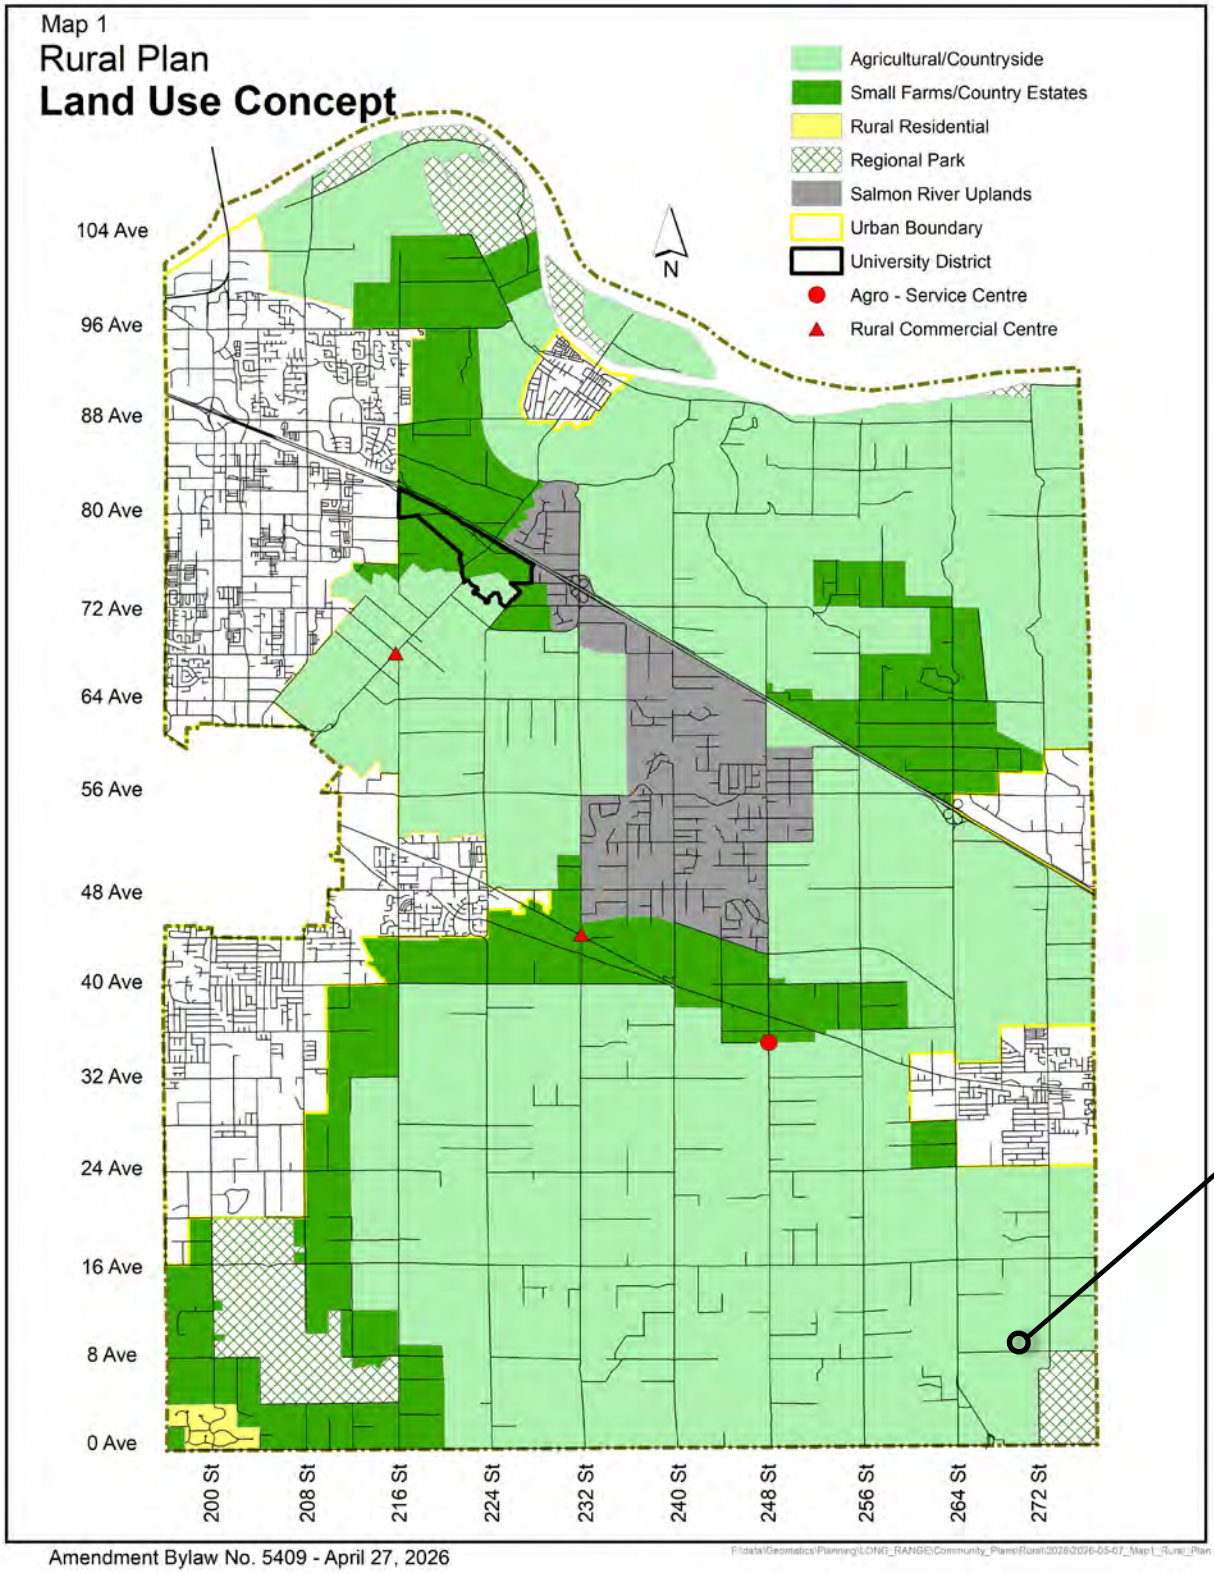

Lindsay Roberts
